

# Join us... recognize our veterans honor our heritage

Help us build a new two-story building at Pete Susick Stadium to honor every veteran affiliated with the Coos Bay School District

## TRIBUTE HALL

Honoring Coos Bay School District families, employees and alumni who've served America in its armed forces

Four themed displays are available for naming rights to the most generous donors

### *"The Greatest Generation"*

A "Doolittle Raider", Pearl Harbor survivor, Purple Heart Marines, bomber pilots, and liberators of Nazi concentration camps. They survived the Great Depression, won World War II and built the booming post-war economy. They were our teachers, coaches, and advisors. They built local businesses that thrive today and their legacy must be preserved.

They served and fought in arctic cold and stifling jungle heat in wars many want to forget. We vow to remember and honor the 12 Marshfield alumni whose names are etched in the Memorial wall. Our hall recognizes their then-unappreciated service and expresses our profound gratitude to all of those who came home.

### *"Reluctant Heroes of Korea and Vietnam"*

### *"The Boomers"*

A generation born ascendance of American influence worldwide, raised in the shadow of nuclear war by hard-working, grounded parents. Questioning the war in Southeast Asia, exploring alternative lifestyles, they volunteered to serve. Some commanded brigades and squadrons in Desert Storm. Others built local businesses. Together, they defeated the Evil Empire of Communism.

Volunteers all. Choosing to answer the nation's call to arms and go in harm's way. A generation learning Arabic phrases and Muslim culture while upholding the finest virtues of our republic. We count among their ranks a Navy SEAL, Army Ranger, Air Force and Navy fighter pilots, Marine riflemen, security forces, and Navy surface warfare warriors. "Once a Pirate, always a Pirate"

### *"Our Current Warriors"*
